FREQUENTLY ASKED QUESTIONS

How does it work?
It's easy! Have your kids sign the enclosed signature template. Return the template in the pre-paid envelope provided. We will typeset your school name under the signatures, print the requested number of T-shirts and ship it back to you. Make sure the students sign within the outline.

Are there shipping, screen or art charges?
Nope! The price includes a white shirt with print, art, screen and shipping! There are no hidden charges!

Do we need to send payment with the order?
Yes. At least 50% deposit will be required at the time the order is placed. You can pay by credit card, money order or school check (sorry, no personal checks). We also accept school purchase orders.

What imprint color can I put on my Signature Shirt?
Any color your want!

When can I expect delivery?
Your shirts will ship within two weeks after we receive your school packet.

Do you offer other garments to print on?
Yes! We have many items such as sweatshirts, sweat - pants, bags, caps and more! We offer many brands as well, including Hanes, Fruit of the Loom, Gildan, Jerzee even American Apparel! You can view our catalog at www.usatees.com.

How many signatures fit in the template?
No more than 200-250 signatures will fit comfortably in the template. If you have more students than that we would suggest typesetting the list of names on the back of the tee for an additional $1.00 per shirt. The front can have the year and the school name.

What if we don't want to print the Signature template?
Remember, we are a custom printing shop and our art department can handle your specific needs!

How are you doing this so cheap?
We run this program every year. It's our way of con - gratulating all of the graduates in the country. We also hope the graduates will remember us for all of their future endeavors.
